National Annex: Iceland

Partners: This call is supported by the Icelandic Center for Research – RANNIS

The official national call announcement for Iceland will be distributed by RANNIS along with details of the call and the application process.

Eligibility and national funding modalities:

- The Icelandic element of any proposal will comprise in-kind (i.e. non-cash) research commitment only, with each participating Icelandic research organisation responsible for meeting its own costs of participation in the call and any successful trans-national collaboration arising from the call.
- It is encouraged that the Icelandic element of any proposal should address integrated natural-socio/economic research challenges.

It is expected that applications to this call will be part of a consortium as defined in the call document.
