

# **Belmont Forum Collaborative Research Action on Pathway to Sustainability Stage 1**

## **National Annex: TAIWAN**

**Partners:** This call is supported by MOST (Ministry of Science and Technology), Taiwan.

**Notice:** Depending on all conditions of eligibility and peer review being met, the budget earmarked collectively by the participating for this call will be up to 200K€ (according to exchange rates at time of funding). The maximum total budget request for all TAIWAN investigators must not exceed 50K€ per project or 70 K€ for a project/consortium coordination (LPI being from TAIWAN). The project period is maximum 24 months. For each successfully research project of this CRA, the MOST will perform a separate budget evaluation (rather than technical evaluation) to determine final amount approved. All projects have to include a budget for participation in or hosting scientifically relevant project meetings or events.

The official national call announcement for the TAIWAN will be published on the website <http://www.belmontforum-most.url.tw/zh/>. Details of the call and the application process are provided via the website (<http://bfgo.org>). Applicants are advised to contact their National Contact Point before starting to prepare proposals for application. For Taiwan enquiries please see below.

**Eligibility and national funding modalities:** Applicants from TAIWAN must be eligible principal investigators for submitting the annual research proposals to the MOST. Please visit website (<http://most.gov.tw>) for more information.

It is expected that applications to this call will be Collaborative Research Grants with the consortium composition as defined in the call document, and MOST will fund the TAIWAN partner of any successful trans-national collaboration.
