

Belmont Forum Climate, Environment, and Health 2

Annex for São Paulo Research Foundation (FAPESP)

| | |
|---|---|
| Duration of time: | Up to 3 years, with the potential to apply for no cost extension of up to 1 additional year. |
| Country/(ies) supported | Applicants must be affiliated to research institutions based in the state of São Paulo, Brazil. |
| Description/qualifications of eligible participants | <p>Applicants from São Paulo must follow the overall rules and conditions of a Regular Research Grant (“APR”) superseded by the specific guidelines for this Call made available by FAPESP at www.fapesp.br/belmontforum.</p> <p>Eligibility conditions and restrictions are those of the APR modality with an additional constrain for well established researchers with a proven track record of interdisciplinary international projects in the themes of the Call.</p> <p>A <u>specific eligibility check procedure is mandatory</u> and must be requested until the pre-proposal deadline (July 15th). Details are available at www.fapesp.br/belmontforum.</p> |
| Stipulations for the maximum number of researchers in the consortium | Only one applicant researcher per proposal (consortium) can receive direct funds from FAPESP; other local researchers are welcomed as “associates”. |
| Type of contribution + amount of contribution (K€) | <p>Monetary.</p> <p>Total amount of R\$2.6 million (aprox. € 465.000)</p> |
| Maximum amount that can be requested per project or by researcher (K€) | <p>R\$100.000 per proposal per year (max of R\$ 300.000) PLUS one Post-Doc or TT-V fellowship.</p> <p>Details for budget conditions and limitations are available at the specific FAPESP guidelines at www.fapesp.br/belmontforum.</p> |
| Restrictions for use of funds | Usual conditions of FAPESP’s research |

| | |
|--|--|
| | <p>grants apply, plus the limitations specific for this Call, i.e., equipment, software licenses and Technical Training fellowships other than TT-V.</p> <p>Note: FAPESP does not pay salaries.</p> |
| Specific themes within the call | No specific themes of preference. |
| Where to submit proposal | <p>The main applicant of the consortium must submit the proposal to www.bfgo.org.</p> <p>For the Full Proposal phase only, the partner applicant based in São Paulo must submit a parallel proposal via the online platform SAGe for the same deadline. Details are available at the FAPESP guidelines at www.fapesp.br/belmontforum.</p> |
| [Additional information] | <p>Partners researchers of a consortium based in São Paulo must follow the specific guidelines as mentioned above, otherwise they may jeopardize the whole group. Please contact FAPESP at any times.</p> <p>The main applicant of the consortium must be listed in the FAPESP proposal to be submitted via SAGe. For that, he or she has to be fully registered in the English version of the platform, clicking on the “Not registered?” link.</p> |
