

Belmont Forum FORESTS 2024

Annex for Araucaria Research Foundation - Araucaria

Duration of time	Up to 3 years
Country/(ies) or region supported	State of Paraná, Brazil
Description/qualifications of eligible participants	Applicants from Parana must adhere to the overall rules and conditions of a Regular Research Grant ("APR"), as outlined by Araucaria Foundation, superseded by the specific guidelines for this Call available at www.fappr.pr.gov.br Eligibility conditions and restrictions follow those of the APR modality, with an additional requirement for well-established researchers with a proven track record of interdisciplinary international projects in the themes of the Call. A specific eligibility check procedure is mandatory and must be requested by the pre-proposal deadline (30 September).
Stipulations for the maximum number of researchers in the consortium	Only one applicant researcher per proposal (consortium) can receive direct funds from Araucaria; other local researchers are welcomed as "associates"
Type of contribution + amount of contribution (R\$)	Monetary Total amount contribution of R\$3 million (aprox EUR524 thousand)
Maximum amount that can be requested per project or by researcher (R\$)	R\$600K Details for budget conditions and limitations are available at the specific FAPESP guidelines at www.fappr.pr.gov.br
Restrictions for use of funds	Usual conditions of Araucaria's research Grants apply, plus the limitations specific for this Call, i.e., equipment, and software licenses
Specific themes within the Call	No specific themes of preference
Where to submit proposal	www.bfgo.org For the Full Proposal phase only, the partner applicant based in Paraná must submit a parallel proposal via the online platform Sparkx for the same deadline. Details are available at

	www.fappr.pr.gov.br
Additional information	Partners researchers of a consortium based in Paraná must follow the specific guidelines as mentioned above, otherwise they may jeopardize the whole group. Please contact Araucária at any times. The main applicant of the consortium must be listed in the Araucaria proposal to be submitted via Sparkx. For that, he or she has to be fully registered in the English version of the platform, clicking on the “Not registered?” link
GPC point of contact	Eliane Segati Rios internacionalizacao@fundacaoaraucaria.org.br
