

## Belmont Forum FORESTS 2024

### Annex for Sao Paulo Research Foundation - FAPESP

<b>Duration of time</b>	Up to 3 years
<b>Country/(ies) or region supported</b>	State of Sao Paulo, Brazil
<b>Description/qualifications of eligible participants</b>	Applicants from São Paulo must adhere to the overall rules and conditions of a Regular Research Grant ("APR"), as outlined by FAPESP, superseded by the specific guidelines for this Call available at <a href="http://www.fapesp.br/belmontforum">www.fapesp.br/belmontforum</a> . Eligibility conditions and restrictions follow those of the APR modality, with an additional requirement for well-established researchers with a proven track record of interdisciplinary international projects in the themes of the Call. Details are available at <a href="http://www.fapesp.br/belmontforum">www.fapesp.br/belmontforum</a>
<b>Stipulations for the maximum number of researchers in the consortium</b>	Only one applicant researcher per proposal (consortium) can receive direct funds from FAPESP; other local researchers are welcomed as “associates”
<b>Type of contribution + amount of contribution (R\$)</b>	Monetary  Total amount contribution of R\$7 million (aprox EUR1.27 million)
<b>Maximum amount that can be requested per project or by researcher (R\$)</b>	R\$600K Details for budget conditions and limitations are available at the specific FAPESP guidelines at <a href="http://www.fapesp.br/belmontforum">www.fapesp.br/belmontforum</a>
<b>Restrictions for use of funds</b>	Usual conditions of FAPESPs research Grants apply, plus the limitations specific for this Call, i.e., equipment, and software licenses
<b>Specific themes within the Call</b>	No specific themes of preference
<b>Where to submit proposal</b>	<a href="http://www.bfgo.org">www.bfgo.org</a>  For the Full Proposal phase only, the partner applicant based in São Paulo must submit a parallel proposal via the online platform SAGe for the same deadline. Details are available at the FAPESP guidelines at
